Thanks, Lee! This is a great heads up to the local businesses!

Folks:

I wanted to alert everyone that the Warner Grand has a blues concert this Saturday from 7p - 11p that is within 10 tickets of being completely sold out. So there is a good chance you may get some additional action from 5 to 6:30 or so, and again at around 11pm, if you are open.

Sorry for the late notice -I hope everyone fills up.

Lee Sweet
